MEDICAL COACHES

MRI Mobile/IsoScan

Challenges/Goals

Weather extremes in the mountainous terrain of the northwest territory wreak havoc on mobile medical trailers. Uptime performance of medical equipment is essential to deliver timely patient care for MRI Mobile/IsoScan's hospital system customers.

"Our strategic partnership has been nothing short of remarkable. Armor Mobile Systems is a strategic partner, contributing to our success in the truest sense."

-Michael Cacchillo, Director of Business Development & Dennis Radford, President, MRI Mobile/IsoScan

Executive Summary

MRI Mobile/IsoScan is a leading mobile diagnostic imaging service provider throughout Idaho, Washington, and Oregon. Since 2005, Armor Mobile Systems trailers have been a dependable workhorse in delivering these mobile imaging services.

MRI Mobile/IsoScan relationship with the Armor Mobile Systems team has contributed much to our growth and longevity. They have consistently provided quality products and insightful perspectives to our questions and concerns.

MRI Mobile/IsoScan

Business Results

MRI Mobile/IsoScan run a fleet of mobile MRIs and PET/CT coaches. Armor Mobile Systems value added manufacturing components and skill of assembly really do result in reduced maintenance costs over the life of the equipment.

Product Benefits

The quality of Armor Mobile Systems shines throughout it all. A 14-year-old coach with over one million miles of use in the Pacific Northwest, (that is still in operation), speaks volumes about the quality of construction that mere words fall short of reflecting.

On those occasions when MRI Mobile/IsoScan purchase preowned units, they always prefer Armor Mobile Systems housed systems knowing that they will have reduced maintenance costs on these trailers over the life of the units. From the side panel construction, the shielding, and ease of operation to the walls and ceilings Armor Mobile Systems pays attention to details like no other manufacturer.
